GUIDELINES

- 1. In MCQ (Multiple Choice Format) type of questions the students will have to choose the right answer amidst multiple options. You are requested to read the instructions carefully.
- 2. The Evaluation will be visible at the allotted time only. The Evaluation Time Table shall be uploaded on the school website and dashboard.
- 3. Once you move to the next question you cannot move back to the previous question, so the student should be careful while attempting the questions.
- 4. The Online Exam should only be taken by the student only. Any sort of prompting or use of unfair means is strictly prohibited and would attract negative marking.
- 5. For the success of the evaluation we need your full co-operation.

I assure you of our prayers for all of you.

Thank You
